Joel Aronowitz, M.D.

Dr. Aronowitz recently led a group in Washington, D.C., to educate legislators and healthcare policy staff about the under-utilization of skin-sparing mastectomy procedures in the U.S. Dr. Aronowitz serves on the Medical Executive Committee and is past Division Clinical Chief of Plastic and Reconstructive Surgery.

Meetings were held with Congressional leaders from both parties, including Rep. Jane Harman, D-Calif., and Rep. Eric Cantor, R-Va. Members of the delegation were invited to attend the State of the Union speech in recognition of the efforts of the Breast Preservation Foundation in the fight against breast cancer.
